FreshServe® Round

Tight fitting lids and secure stacking provide product protection both on shelf and during transport. An available wide flange rim option supports heat film sealing to maximize shelf life. Our round bowls are perfect for on-the-go, direct-from-container eating.

FreshServe® Square

These sleek, square containers help your products to always look their best by providing optimal clarity while maximizing space utilization. There are a variety of lid options available, including both flat and dome styles. As with our round containers, a wide flange rim option is available for heat seal applications.

VersaLock® Tamper Evident Containers

VersaLock® square containers utilize a tamper evident, corner tab, safety feature to provide you and your customers a clear indication if products have been tampered with or damaged. All lids include a flat panel area for labeling and a tight perimeter seal to ensure leak-resistance.

Grab-N-Go

D&W Square and Rectangular Multi-Compartment Containers

Recent consumer trends in bite-size snacking and variety packs make our multi-compartment square and rectangular containers the perfect choice for on-the-go convenience. Our creative design concepts support many different end uses, with compartment counts ranging from two to six.

D&W Hinged Containers

These hinged containers are as eye-catching as they are functional, with their secure stacking and either smoothwall or scalloped design. All provide the perfect solution for lunch on the run, including deli wraps, hoagie sandwiches and all types of salads.

D&W Bakery and Parfait Containers

There is nothing better than a sweet treat on the road, and our wide variety of options for parfaits and single serve cakes, tarts and pie slices make that possible by providing direct from container eating while ensuring product integrity.
