

Respect the Food!™

School Foodservice

CONTAINERS • LIDS • CUTLERY • KITS • STRAWS

enviroware

- Plates, bowls, trays and hinged containers designed for strength, performance and convenience.
- Meets FDA standard requirements.
- Made with eco-forward materials.

Cruiser Bowl®

- Sturdy design, stackability and secure sealing for easy prep, transport and storage.
- Temperature range from freezer to microwave; 10 sizes for portion control.
- C-Green® base material reduces oil-based resin usage by 35%.

Cruiser Sides®

- Square geometry optimizes space usage - perfectly sized for sides, snacks and desserts.
- Positive-fit lids feature vent holes that release steam to minimize condensation and maintain food integrity.
- C-Green® base material reduces oil-based resin usage by 35%.

Grab 'N Go

- A range of shapes, capacities and compartment counts for a total solution for salads, sandwiches, sides, snacks, and desserts.
- Made with some of the most-widely recyclable materials used in single-use food containers.

Cutlery/Kits/Straws

- Polypropylene and styrene cutlery options in medium, heavy and super heavy weights.
- The broadest line of single-use cutlery; bulk, box, kit and individually-wrapped package options.
- Complete line of wrapped and unwrapped drinking straws, including PLA compostable.
- Quality products supported by SQF Certification.

Oblongs

- Sturdy design, stackability and secure sealing for easy prep, transport and storage.
- Crystal-clear lids enhance food presentation.
- Bases go from from freezer to microwave. A range of sizes and compartment counts available.
- C-Green® base material reduces oil-based resin usage by 35%.
