

Inspiration in Every Package™

Mission Statement

Our mission is to provide innovative and eco-friendly food packaging solutions that meet the highest quality standards, while minimizing our environmental impact. We strive to be a trusted partner for our clients, delivering packaging solutions that preserve the freshness and integrity of their products, while also promoting sustainability and reducing waste.

Nationwide Locations

Location	City, State	Description
★	Wood Dale, IL	Corporate Headquarters
①	Ft. Wayne, IN	Innovation Center, Rigid Plastic & Bioresin Production
②	Lake Zurich, IL	Aluminum and Rigid Plastic Production

⑧	Miami, FL	Aluminum Production Center

Headquartered in the Innovation Center in Fort Wayne, IN, our dedicated Engineering Team works closely with customers to turn problems into solutions.

Concept and Development

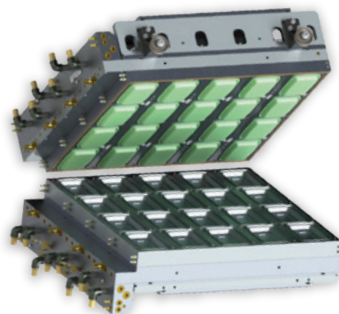

Prototype Sample Creation

An array of 3D printers allow us to create prototypes quickly and efficiently.

We also have the capability to run large scale prototype runs on production equipment.

Tool Design and Manufacturing

Our engineering team will expertly design and manufacture tooling components in our internal tooling shop.
