

Respect the Food!®

enviroware

Today's Choice for Strength, Reliability and Convenience

D&W Fine Pack's enviroware products offer customers the right choice when looking for a unique alternative to standard polystyrene packaging. We offer a complete line of enviroware products including containers, trays, plates and bowls in a variety of convenient sizes, along with cutlery, straws and stirrers. All enviroware products provide excellent strength and durability and are the right choice for any foodservice packaging needs.

Respect the Food!®

FEATURES AND BENEFITS

- *envioware is manufactured with an active organic catalyst (AOC) developed to accelerate the degradation rate
- envioware plates, bowls, containers and trays are manufactured using 100% recycled CO₂ instead of a hydrocarbon blowing agent
- Heavy duty for strength and performance
- Meets FDA standard requirements

Plates & Bowls
